

In-Row Crop Starter Program For Organic Production_USDA/NOP Program

Corn starter

Prior to planting -All see should be treated with Myco Seed Treat

Direct, In Row application

5 gal	Drammatic “E” Liquid Plant Food
3 gal	Water
1 gal	AER Organic SP-1 (microbial package)
.5 gal	Organic trace mineral pack
2 gal	K Sulfate
1 gal	DE
8 oz	Neem Blend 45 EM
optional	Mycotrol O

2 x 2 Starter application

5 gal	Drammatic “ONE” Plant Food
1 gal	AER Organic SP-1 (microbial package)
.5 gal	Organic trace mineral pack
2 gal	K Sulfate
7 gal	Chilean nitrate
1 gal	DE
8 oz	Neem Blend 45 EM
optional	Mycotrol O

Soybean and Edible Bean starter

Prior to planting -All see should be treated with Myco Seed Treat and Rhizobium bacteria

Direct, In Row application

3 gal	Drammatic “E” Plant Food
3 gal	Water
1 gal	AER Organic SP-1 (microbial package)
.5 gal	Organic trace mineral pack
2 gal	K Sulfate
1 gal	DE
8 oz	Neem Blend 45 EM
optional	Mycotrol O

2 x 2 Starter application

3 gal	Drammatic “ONE” Plant Food
1 gal	AER Organic SP-1 (microbial package)
.5 gal	Organic trace mineral pack
2 gal	K Sulfate
3 gal	Chilean nitrate
1 gal	DE
8 oz	Neem Blend 45 EM
optional	Mycotrol O

For Organic Production -JAS Certification

Replace the Drammatic “E” Fish Plant Food with Drammatic “L” Fish Plant Food

Replace the Drammatic “ONE” Fish Plant Food with Drammatic “LNE” Fish Plant Food

Neem oil, Garlic Oil, Safer Soap and Mycotrol O are EPA registered bio-pesticides

Nutritional- These starter formulas are designed to supply calcium and available phosphorus for germination along with trace minerals plus biological nutrients. The Drammatic “ONE” Fish Plant Food includes fish hydrolysate, trace minerals, sugars, nitrate nitrogen and fulvic acid. This combination includes high sugars, micro-nutrients, available calcium, available phosphorus and high electric conductivity

Drammatic “ONE” Plant Food contains 13% Chilean Nitrate.

NOTE: Chilean Nitrate is NOP listed with annotations (limited to 20% the required amount of nitrogen to produce the crop). It is not approved for IFOAM or GOA export markets.
